1. Aims

This policy aims to:

- *Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible*
- *Set out how the school will make decisions on pupil premium spending*
- *Summarise the roles and responsibilities of those involved in managing the pupil premium in school*

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what academies should publish online](#), and complies with our funding agreement and articles of association.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

The Boulevard Academy is located in a socially deprived area where there is significant unemployment and single parent families. The academy has high mobility with lots of in year changes to the roll. The proportion of students eligible for the pupil premium grant is well above the national average and there are a high number of EAL students and SEND Students.

Decisions for how the grant will be spent are informed using evidence-based research and resources from the [Education Endowment Foundation](#), and by the lessons learned through evaluating what happened during the previous academic year. They will address a wide range of needs, and take group and individual needs into account.

The Academy will engage with parents and take their views on the needs of their child moving forward.

Some examples of how The Boulevard Academy may use the grant include, but are not limited to:

- *Providing extra one-to-one or small-group support*
- *Employing extra teaching assistants*

- *Running catch-up sessions before or after school (for example, for children who need extra help with maths or literacy)*
- *Providing extra tuition where needed (for example, ahead of national assessments such as GCSEs)*
- *Funding educational trips and visits*
- *Funding English classes for children who speak another language*
- *Supporting with needs outside of the classroom such as emotional well-being.*
- *Funding revision materials or other equipment required to access the curriculum*

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Years 7 -11. Eligible pupils fall into the categories explained below.
