## Year 5 Chiltern Primary School Sport Festival

On Thursday 4<sup>th</sup> July, 60 Year 5 students from Chiltern primary school visited the school to take part in a sports festival. The afternoon involved nine Year 9 students leading activities as part of their BTEC sport course, with 20 Year 7 students working as ambassadors to support. Chiltern Primary school students took part in a variety of sports including tennis, rounders, softball and cricket. It was a fantastic afternoon with all students showing excellent teamwork and effort throughout the activities. Well done to everyone who took part and particularly the Year 9 students who demonstrated fantastic leadership skills throughout.

## Two productions in four days!

The second to last week of term saw a Boulevard Academy first, with our newly formed Celebration evening taking place as well as the school production. Both evenings were supported by a professional events company (thanks to Over The Top Events and TaleGate Theatre) which meant that students, staff and parents were able to celebrate in style, with the hall transformed into a theatre space.

Well done to all students involved!

Miss Lindsey

## WW1 Battlefields Competition

The History Department is pleased to announce the return of the World War One Battlefields competition for the fourth consecutive year. In September, students will have the opportunity to submit a piece of work of their choice related to World War One Remembrance, for the chance to win one of four places on the all-expenses paid trip. The winning students will travel to Belgium and France for 4 days in November seeing some of the most decisive battlefields of World War One (including the Somme) as well as the Thiepval War Memorial. More details will be given at the start of the new school year, but please contact Mr Killick if you have any questions.

## Extra Curricular

As part of our promise to ensure we continue to offer a range of opportunities for all students at The Boulevard Academy until 4.30pm, please see our proposed enrichment programme starting in September.

These sessions will run every day from 3.35pm until 4.30pm allowing students to attend as many sessions as they wish throughout the week.

The programme offers support with homework for both KS3 and KS4 students as well as specific subject revision for GCSE Subjects. Additionally, a range of sports clubs and fixtures across both key stages, and further extra curricular opportunities will be available. Students will also have access to a mental health support session each evening for students requiring support with any difficulties they are having.

We hope that every student will be able to take advantage of the wide range extra curricular opportunities throughout the week.

The extra-curricular provision will be updated each half term, please see our school website for further information.
