Dear Parent/Carer,

As we approach the end of term, I would like to thank you for your ongoing support in working with the school. It has been great to see so many of you at our academic progress events and to have your support when attending meetings in school. All of this is aimed at helping our students and, as such, we wish our Year 11s well as they move into the final push before their GCSE exams.

Once we return from the Easter holiday, we will offer support to students in a different way. The aim being to provide our students with a greater number of staff to help them through the school day.

The key change is the removal of staff attached to a specific year group. I am confident that the changes will ensure all students always have a trusted adult available to talk to should they ever need this.

The table below details who you can contact at the school should you have any concerns or issues.
